

Give your children their own Little Paper

For less than HK\$38 a month, your children can enjoy their very own little weekly paper.

My Little Paper is an English language publication for children aged 2-5 years. It provides colourful worksheets, games, photos and illustrations that are fun, age-appropriate, informative and educational. Each issue has a theme with new material that will keep your children entertained while they learn about the world, and develop skills such as counting, drawing, colouring and reading. A new issue is delivered to your door every Friday, so you have the weekend to enjoy being part of your children's early education.

My Little Paper is brought to you by the publisher of Asia's leading daily English language children's newspapers: **Daily 7** & **Daily 10**
